### Mission:

Our mission is to enhance our community identity and heritage, to foster a center of activity and to ensure economic stability for the heart of Marshfield through concentrated efforts of organization, promotion, design and economic restructuring.

Main Street Marshfield is again sponsoring our Farmer's Market every Tuesday, 9:00-1:00 at the Pick'n Save Parking Lot. The Market runs from June 23 to September 29, 2009.

We already have 14 vendors signed up to sell products. We'll have everything from baked goods, bulk baking ingredients, maple syrup, Bison meats, lots of fresh produce, plants, soap, apples and much, much more. Bluhm's BBQ will also be back for a great lunchtime treat.

We still have room for a few more vendors. We will accept some craft vendors if space allows. Please contact Main Street Marshfield at 715-387-3299 for more information or a Farmer's Market Kit.

### Flower Power

Main Street's Flower Power Team is getting organized for the 2009 season. Things will look different this year with Central Avenue closed, but check out the parking lots and Parkway. They will be beautiful, thanks to our dedicated team!!!

If you are interested in gardens, you love to dig in the dirt and have an hour or two to spare, we need your help. We can use help planting flowers, mulching the flower beds, weeding and watering the gardens. We provide on-site training, if needed.

If you want more information, please contact the Flower Power Coordinators, Nate and Arlene Norberg at 305-8260 or 305-8245, or the Main Street office.

## Hub City Days

Mark your calendars!!!!  
**Hub City Days will be held on July 25th-26th, 2009.** We will have our **4th Annual Brew Fest**, Classic Car Show, Live Music, **Pork Cook-Off**, Arts

and Crafts, **Karaoke Contest** and much more.

The fun begins at 10:00am and goes to midnight. Something for everyone. A great place to meet your friends and family to spend the day!

Our featured band this year is **Boogie and the Yo Yoz.**

We plan to hold everything on Central Ave. again. However, if the road work is not done, we will move it to the City Hall Parking Lot and Veteran's Park, etc.

**Make sure the Main Street office has your email address so they can keep you informed with updates!**

## News from the Executive Director

Don't you just love this season? It's cold and rainy one day, and warm and sunny the next. You don't know if you should wear a spring jacket or get your snow pants out again. Whatever the weather, the construction crew has been out in full force. I've enjoyed watching the construction. It amazes me how much they can accomplish in a matter of a few hours.

As you have noticed, a portion of the sidewalks

are still open. ***According to the contractor, they will begin closing the sidewalks the week of April 27.*** Hopefully, your rear entrances are well marked for the customers to find you. If you are interested in coming to the weekly construction update meetings, they are held on Tuesdays at 1:00pm in the DOT Field office located at 105 East 5th Street. This is a great way to keep up-to-date on what is happening

outside your door and to address any questions or concerns you may have.
